Subject: Application for Internship Opportunity

Dear First Class Tours Team,

I hope this message finds you well. My name is Akech Jacob Majur Ngor, a student at the African Leadership University in Kigali, Rwanda, where I am pursuing a degree in Entrepreneurial leadership. As someone deeply passionate about tourism development and nature conservation, I am excited to apply for an internship position with First Class Tours.

Growing up in South Sudan, I witnessed the immense potential for tourism to foster community development and preserve cultural heritage. Through this internship, I aim to gain practical insights and experience that will allow me to contribute meaningfully to the growth of the tourism sector in my home country upon graduation.

My goals during this internship include:

1. Learning about the operational and strategic aspects of a successful tourism organization.
2. Acquiring skills in sustainable tourism practices and eco-tourism promotion.
3. Contributing to the work of First Class Tours through my dedication, enthusiasm, and ability to collaborate effectively.

I am confident that this opportunity will help me bridge the gap between my academic learning and real-world application, enabling me to drive impactful initiatives in South Sudan.

Please find my resume attached for your review. I am happy to provide additional information or discuss how my aspirations align with the goals of First Class Tours. I can be reached at +250794408547 or via email at a.ngor@alustudent.com

Thank you for considering my application. I look forward to the opportunity to contribute to and learn from your esteemed organization.

Yours sincerely,
Akech Jacob Majur Ngor
