Dear Hiring Manager,

Re: Application for Tourism Development Internship

I am excited to express my interest in the Tourism Development Internship at First Class Tours. As an undergraduate student pursuing a Bachelor's degree in Entrepreneurial Leadership at the African Leadership University, I am eager to apply my project coordination, problem-solving, and communication skills to contribute to your team.

As Head Volunteer at Felicitors Foundation, my role allowed me to coordinate community-driven projects, fostering connections between administration and stakeholders. This experience honed my ability to engage diverse audiences, manage initiatives effectively, and prioritize sustainability—qualities I believe align with First Class Tours' commitment to enhancing tourism experiences.

I am particularly drawn to First Class Tours's innovative tourism and community engagement approach. I am eager to gain hands-on experience developing sustainable tourism strategies while contributing fresh perspectives and ideas to your team.

I have attached my resume for your review and would welcome the opportunity to discuss how my skills and experiences can support First Class Tours' mission. Thank you for considering my application.

I look forward to contributing to your team and learning from the exceptional professionals at First Class Tours.

Sincerely,

Deng Phillip Aguto
