RE: APPLICATION FOR MARKETING INTERNSHIP POSITION

Dear Hiring Manager,

I am writing to express my interest in the internship position at First Class Tours, which I heard about through a recommendation. I am deeply passionate about traveling and creating memories through traveling, mainly in line with the company's impact. I am confident in my ability to contribute to your team through my passion, hard work, and dedication and learn from this opportunity.

I am particularly drawn to First Class Tours' dedication to providing the best traveling experience to its clients. My involvement in the national service strengthened my passion for community service, whereas my experience as a club vice president allowed me to demonstrate my leadership and teamwork abilities. My experience as a babysitter sharpened my adaptability and responsibility. My experience working in those diverse environments and my passion for social impact align with the values and goals of your foundation. Throughout my academic journey, I have developed essential skills through courses such as Complex Problem Solving, which have equipped me with a solution-oriented mindset and the ability to handle challenges effectively.

I would be honored to contribute to your ongoing projects and help further the company's mission. Thank you for your time and consideration.

Sincerely,
Shama
