RE: Application for Tour Consultant Internship

Dear Hiring Manager

I am writing to express my interest in the Tour Consultant Internship position at First Class Tours, as advertised. I am currently a first-year student at the African Leadership University, pursuing a major in Entrepreneurial Leadership, and I am excited about the opportunity to apply my skills and enthusiasm for tourism in a practical setting. I learned about this opportunity through recommendation, and I believe my academic background, leadership experience, and passion for tourism make me a strong candidate for this role.

I have always been passionate about travel and the tourism industry, and I am particularly drawn to how tourism can contribute to sustainable economic growth and cultural exchange. As the leader of the Environment Club at my former high school, I developed key leadership, organisational, and communication skills that I believe will be highly transferable to the role of Tour Consultant. In addition, I completed national service after high school, where I honed my ability to work with diverse teams and provide exceptional service to the public. These experiences have helped me develop a strong work ethic, attention to detail, and a commitment to providing the best possible experience for others.

I am eager to leverage my academic knowledge and personal experiences to contribute to First Class Tours while gaining valuable insights into the tourism industry. I have attached my resume for your review. Thank you for your time and consideration.

Sincerely,

Ritha Umutesi
